

Hull Medical Society

(Founded 1889) Charity number 232130

Session 2018-19 President: Dr David Horton

Mr Alan Palmer – Life on The Humber

The lecture will explore how the development of the Humber since the last ice age has created one of the leading Wetland Wildlife Sanctuaries in Europe. The result will be illustrated with photographs of wildlife taken by the speaker over the past decade.

The talk will be preceded by a 10-minute presentation by HYMS Physician Associate Student Antonia Evans about her attendance at the recent Healthcare Leadership Academy Annual Conference. You are invited to join the speaker and President of the Society for a drinks reception from 6pm followed by the talk at 6.30pm for approximately one hour.
